

Paper Lantern Decorating Information

Be a part of the Lindon city Haunted Trail this year by decorating a lantern of your own! Families are invited to use any items, colors, and fun ideas to make their lantern unique.

How It Works:

- 1 Decorate Your Lantern** – Use markers, stickers, cut-outs, tissue paper, glitter, or anything you like to make it your own. *You only need to decorate 1 side of the Lantern.*
- 2 Drop It Off** – Turn in your finished lantern at your school or at the **Lindon Community Center** by **October 20th**.
- 3 See It in Action** – Come visit the **Haunted Trail on October 24th** and see your lantern glowing along the path! (Lights provided by Lindon City)

Be creative, have fun, and help us light up our trail!
