Christina Lloyd started dancing at the age of three. Growing up, she studied Tap, Jazz, Ballet, Hip Hop, Clogging, Turning Technique, Contemporary/Lyrical, and Character dance, and danced across the U.S. and Europe in touring companies. Later, she danced and competed with the UVSC Ballroom Team where they took 1st at the International Blackpool Competition.

She transferred to BYU & became the only student in BYU's Folk Dance history (before or since) to make the "Top-Ten Couple Team" her first Semester. Christina received the coveted Pardoe Dance Scholarship given to only one girl per year, and was awarded "Most Outstanding Dancer" by BYU's faculty.

Christina opened Christina's Corner Dance Studio in Lindon when she realized she wanted to be her daughter's first dance teacher, just as Christina's mom was her first dance teacher. She is now preparing for her fourth season at Christina's Corner.

## LINDON MAYOR JIM DAIN

Photograph by Glen Ricks Photography

Welcome to Lindon Days 2012. The theme for the events this year is "Where community begins"!

Our Annual Lindon Days celebration is upon us. Many have worked hard to bring you another year of fun and excitement.

Everywhere I go I am complimented on what a great community I live in and represent. Thank you for leaving a great impression.

Lindon is a great community full of remarkable people. Our community begins in the hearts and souls of the people who live here. We have a community that takes care of one another. We are a community that identifies its self as part of something bigger than just individuals. We care about our friends and neighbors, and feel that common value of caring. We have many volunteers who reach out on topics of interest to the community and give their time and efforts to move our community in a positive direction. We have dedicated city employees who care about who you are and what your needs are as a member of this community. It is great to be a part of something so good.

As you attend the various activities this year have fun, and enjoy getting to know some new people in the community. Reach out with a smile and a friendly hello.

Thanks to all who have worked so hard to create another community celebration; Lindon Days chairmen, event chairmen and all those who donate their time to bring this event to us. Thank you for the opportunity to represent this fine city. I am proud to represent you and honored with the trust I have been given. Proudly representing the finest city in America, Your mayor, Jim Dain.

## LINDON DAYS GRAND MARSHALS TED AND ERLENE LOTT

Photograph by Glen Ricks Photography

Ted was raised in Roosevelt, Utah, where he "grew up on a horse." He learned to work hard on their family ranch while growing up. He moved to Orem in 1961. Erlene came from Granger, Utah in Salt Lake County. Her family moved to Orem in 1959 and while a teenager, she worked in their family business. She worked as a receptionist, and learned office skills that have assisted her throughout her life.

They met in Jr. High and became High School sweethearts. They were married in 1964 and have 4 children: Shawna Powell, Lindon; Monnica Skinner, Orem; Neal Lott, Lindon; and Nick Lott, Orem. They are currently raising two granddaughters. They have 14 grandchildren and 7 great-grandchildren.

"People who live in Lindon are here because they want to be. We all have the same desires, to live where there are fields and pastures, animal rights, and a hometown feel," they said. They are pleased to live in a town where there's still a "Little Bit of Country" and will do all they can to keep it that way.

They're proud of this country and want to personally thank all who have served in any branch of the military. They are owners of Lott's Originals... a trophy and engraving business that has been in business for the past 23 years. Ted and Erlene are currently serving a mission at the Lindon Home Storage Center (dry pack cannery). "We are able to serve the Lord and the people that come into the storage center, be near our families, and sleep in our own bed every night. What more could a person ask for?" they said.

Both have expressed their appreciation to everyone for giving them the opportunity to be Lindon City's Grand Marshals this year. "We feel very honored to be asked to do this... thank you."

## LINDON DAYS CHAIRMEN ERIC AND TRACEY WHITEHEAD

Photograph by Glen Ricks Photography

Here it is again, time for the Lindon City's annual celebration. It seems like last years Lindon Days celebration just ended and now it is time again for the fun to begin.

This year's theme is "WHERE COMMUNITY BEGINS."

We have planned many events for everyone to come and enjoy.

We feel that Lindon is the best community to live and raise our families. The individuals that live here make it great; they are willing to share their talents with others. Lindon Days is the perfect time for the residence of Lindon to show other communities the true meaning of community.

We hope that everyone will participate and come out to the events this year and help show that this is "Where the Community begins",

We would like to give a sincere thanks to all the event chairs that have given their time and effort to their respective events to make Lindon Days possible. We would also like to thank the many city employees that have given their assistance to make the events go as planned.

## LITTLE MISS LINDON ROYALTY 2012 - 2013

Photograph by Glen Ricks Photography

The theme for this year's Little Miss Lindon Royalty is "We Love to 'SEA' You SMILE!" The girls and their parents built an "Under the Sea" parade float to go along with this theme. The Lindon City royalty and float will be featured in 8 different city parades this summer. These girls love to make others smile and love to see the smiles that come when they are helpful in their community. This year they will focus on multiple service projects and do whatever they can to serve Lindon City.

### Lindsey Southard - Queen

Lindsey Southard, daughter of Jeff and Allison Southard is Little Miss Lindon 2012-13.

She is 12 years old and is looking forward to attending Oak Canyon Jr. High School in the fall. Lindsey is the third of 6 daughters in her family and loves being in a family with all girls. She enjoys singing and acting. For her talent in the Little Miss Lindon completion, she sang and acted out a favorite song from Tangled, "When Will My Life Begin." For her service project, she sewed dolls for children who would undergo surgery and donated them to American Fork Hospital. Lindsey loves life and definitely loves making others smile and laugh. It's one of her favorite things, so this year's theme fits her perfectly! She is both excited and happy to represent and serve Lindon city this year.

### Hadley Brimhall - Attendant

Hadley Brimhall is the daughter of doctors Jeff and Angie Brimhall. She moved to Lindon last summer, and attended Lindon Elementary School where she was recognized as a presidential scholar. She enjoys playing soccer, playing the piano, singing, performing, and being an attendant in the Little Miss Lindon royalty. In her free time she likes to play with her two younger brothers, spend time with her friends and get ready to attend Oak Canyon Junior High in the fall.

### Shanalee Spinder - Attendant

Shanalee Spinder is the daughter of Ken and Lois Spinder, she is 12 years old and is a student at Oak Canyon Jr. High. Shanalee is the youngest in her family and loves to play with her niece and nephews. She loves to sing and ballroom dance and is a member of the BYU Youth Ballroom Team. She is happy to be in the Little Miss Lindon Royalty and loves serving others and loves the new friends she has made.

### Kaitlyn Whittingham - Attendant

Kaitlyn Whittingham is the daughter of Brady and Terri Whittingham. She is 11 years old and will attend her first year at Oak Canyon Jr. High in the fall. Some of Kaitlyn's talents include singing and dancing. Kaitlyn has always had a great love for animals. She currently has a cat and 3 chickens of her own, and is good friends with all of the neighborhood pets! Kaitlyn is excited for this summer and the upcoming year with the Little Miss Lindon Royalty.

### Elizabeth Barzeale - Attendant

Elizabeth Barzeale, is the daughter of Eric and Amy Barzeale. Elizabeth is 13 years old and attends Oak Canyon Jr. High part time and is home schooled full time. Elizabeth loves art. When she was four years old she asked what an artist was and when she was told, she thought for a minute and then told everyone "Oh, that's what I am, an artist". Elizabeth also loves to cook. Her homemade chocolate cake is everyone's favorite, perfectly moist and delicious. Bitz is so loving and sweet (except when she is waking up); she is such a good friend and a wonderful person.

## LITTLE BITS OF LINDON

Returning again this year to the Lindon Days activities is a contest known as Little Bits of Lindon. Your job is to find and identify the larger versions of the little bits of the photographed images—building facades, fragments of signs and other landmarks in Lindon.

*1st, 2nd, and 3rd prizes will be awarded.*

### The rules:

1. Match the Little Bits of Lindon clues with the real thing. All items can be found within Lindon boundaries. No clues were photographed of individual residence. All are of commercial properties. Everything pictured can be seen from the outside but not necessarily from the road. You will need to get out of your car. The boundaries for the clues are from 600 South to the Pleasant Grove border on the North and from 200 East to 2000 West.
  2. We hope the items pictured have not been removed, bulldozed, or painted over by the time you go looking. The pictures should be accurately reproduced, but remember that the time of day can have an effect on the item.
  3. Identify each clue with its exact location such as street address, name of building, etc.
  4. Include your name, address, and daytime phone.
  5. One entry per family only will be allowed. Drop off answers in a sealed envelope to Lindon City Center by 5:00 pm Friday, August 10. No entries will be accepted after August 10.
  6. Winners will be announced Saturday, August 11, at 8:00 pm during the Concert at Lindon Park. You must be present to win.
  7. If more than one entry correctly identifies all the clues, winners will be chosen in a random drawing at the concert.
  8. Copies of clues are available online at [www.lindondays.org](http://www.lindondays.org) You can view the clues through out the city at various business locations.
  9. Good hunting and have FUN !!
- \*\*Lindon City employees and their families are not eligible.

# THURSDAY, AUGUST 9 – 7:00 PM, OSMOND CONCERT

**TIME:** 7:00 pm - 8:00 pm

**PLACE:** Community Center

**INFO:** This is the first in a series of music concert/seminars in which Nathan Osmond will be performing. Afterwards he will talk about his career and answer questions about performing and writing music, etc.

This singer-songwriter is no stranger to the business. Nearly his entire life has been dedicated to writing and performing music. Raised around television and recording studios, Nathan knew at an early age that music was his destiny.

Nathan was voted by Country fans as "Best Local Country Artist" this year in Utah and received the Eagle Country Award. He's opened for Carrie Underwood, Patty Loveless, Collin Raye and many others in the business. Whether it's playing to a sold-out stadium or even a local County fair, Nathan always delivers a high-energy, crowd-pleasing performance that always leaves his audiences wanting more. He is a member of CMA and just recorded a new duet with Country legend and Opry star, Jack Greene, which will be released later this year.

"One of my favorite things to do is getting to meet the fans before or after the shows," said Osmond. "I don't care who you are, if you don't take the time out to meet your fans, you won't be around long in this business!" Osmond is known for giving his fans his time and is very active in responding to their questions through his Facebook and Twitter pages. He even has a street team called, "The O-Zone" whose members are actively spreading his music around the globe. Nathan said, "I've been so blessed to have the most loyal and supportive fans any artist could ask for. I love you ALL!!!"

"I hope to be more than just another Country singer," said Osmond, "I hope to create a legacy of solid entertainment. I hope to be a positive role model, to both young and old alike, proving that anything in life is possible, so long as you have a dream and are willing to put into action what it takes to achieve that dream." He continued by saying, "I hope to continue writing songs that are meaningful and anchor to the hearts of the listener." Nathan stresses the importance of family in achieving success: "I have the been blessed with the greatest, most patient and supportive wife on earth. She is the inspiration for a lot of my songs." Nathan recently recorded a Jerry Foster cut titled, "Every Man Needs A Rock," which will be featured as a bonus song on his next album. He dedicates it to his sweetheart, Sarah. "I'm the proud father of three little boys (Zachary, Corbin and Samuel)." He continues saying, "If I never win a CMA Award or a Grammy, so long as my kids think I'm a cool dad, then I consider myself a true success." Nathan has major plans to tour this year and hopes to be able to meet as many of his fans as possible.

## Annual 9-11 Drill Down for Safety

Monday September 17, 2012 6:00 pm

Plan to join your neighbors and Lindons Community Leaders in our City's annual award winning, Emergency Preparedness Safety Drill.

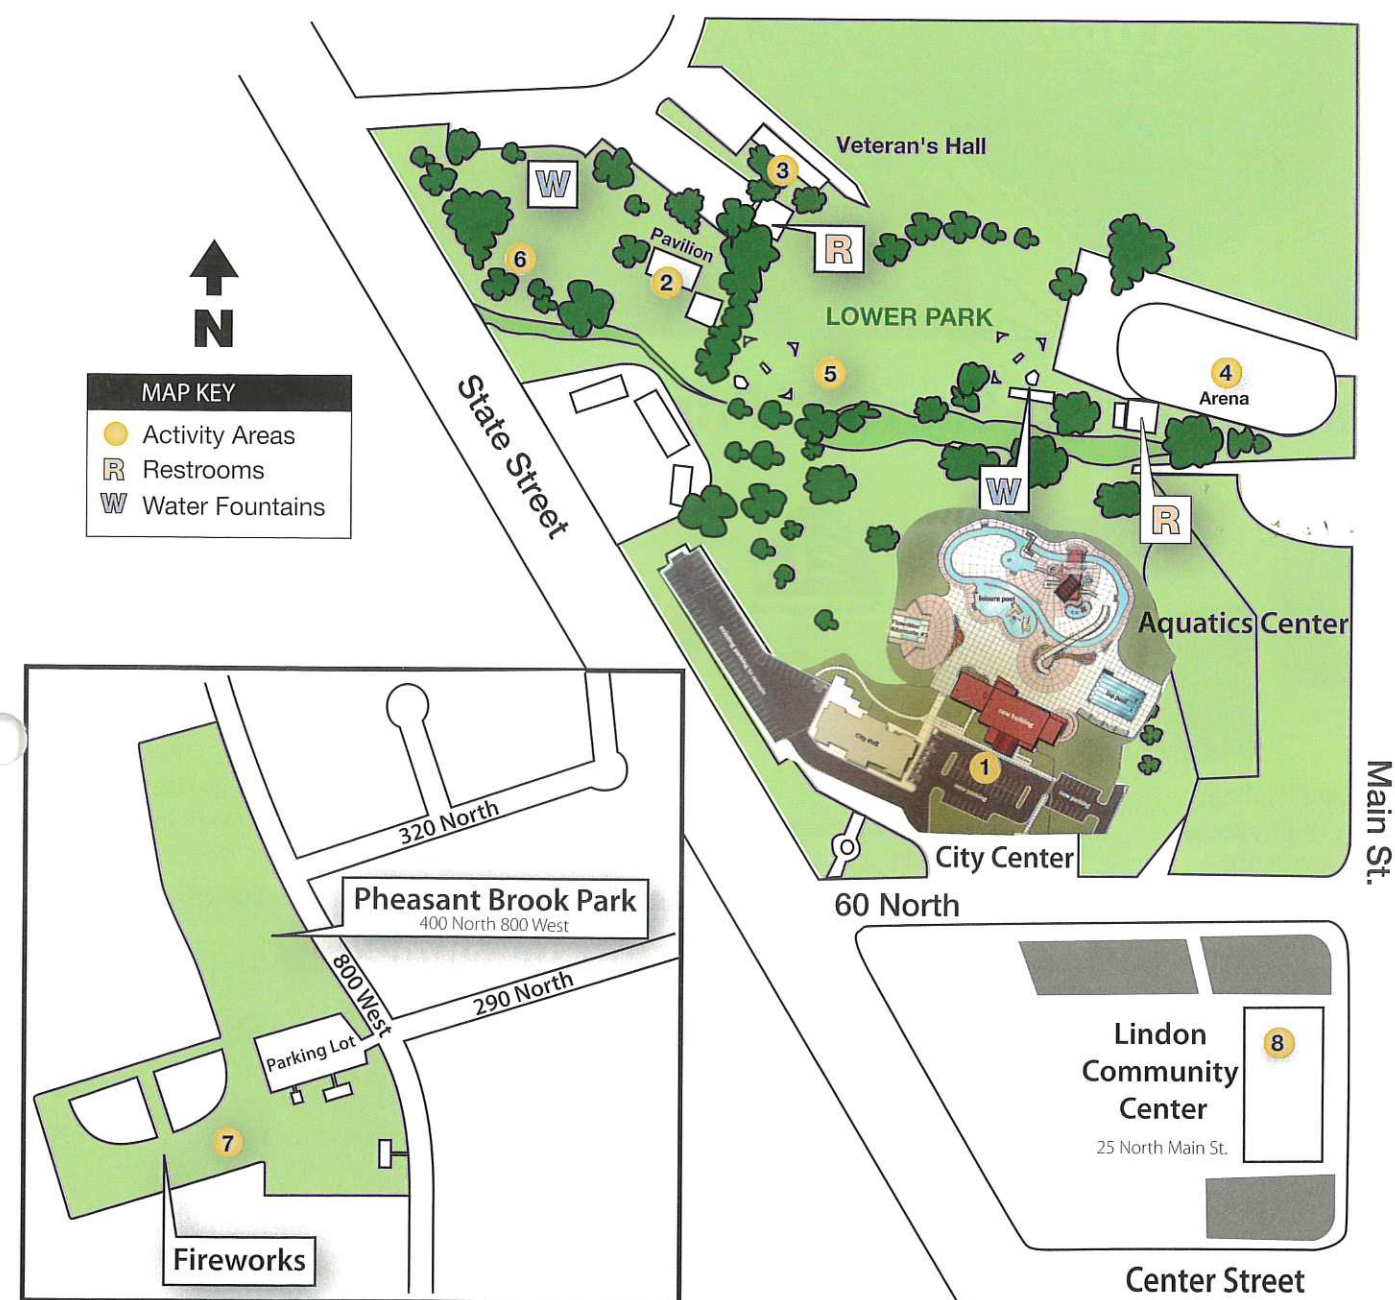

This September 17th, Lindon City officials will again exercise our citywide procedures for a coordinated response to a disaster or catastrophic event affecting our city. Each year the Drill Down has evolved to be more detailed and to incorporate increasingly realistic scenarios which are designed to prepare us for an actual response to an area or city-wide event. Every year, community participation has also increased and due to your response, Lindon City's program is seen as a model of success for this type of event.

Due to recent events, it is especially apparent that communities need to have a response plan in place for a variety of potential issues such as wildland fire, mudslides, and flooding; not just for the big earthquake that we have traditionally worried about. We need you to become involved as an important piece of our community effort. Please watch the City website [www.lindoncity.org](http://www.lindoncity.org) and the City newsletter for more details as the Drill date approaches. We encourage you to develop a family plan for response to an emergency and then to join us on September 17th to make Lindon a little safer as we "Drill Down for Safety!"
