**WHAT IS THE LINDON  
PARC TAX?**

The Lindon PARC Tax will be on the election ballot this November for the residents of Lindon to decide if they want to renew this sales & use tax for another 10 years.

PARC is an acronym for Parks, Arts, Recreation & Culture. In 2013, 66.7% of Lindon City voters approved a 1/10th of 1% (0.1%) increase in the local sales and use tax as a means of enhancing funding for local recreational facilities and cultural organizations within Lindon City.

The purpose of the PARC Tax program is to support recreational facilities and cultural organizations that enrich the overall quality of life for residents throughout Lindon city. The Parks, Arts, Recreation & Culture (PARC) Program is committed to enhancing city recreational and cultural facilities and providing fair and equitable access to PARC funding of cultural organizations through grant opportunities. The PARC Tax has been an amazing source of revenue to help improve Lindon City!

**Where does the sales tax come from?**

Revenue comes from all shoppers (Lindon Residents and Non-Residents) whom shop and do business in Lindon. The City estimates that up to 45%-55% of sales taxes received within Lindon are paid by individuals and businesses from outside the City. Other nearby cities have also passed a similar tax including Orem, Pleasant Grove, Cedar Hills, American Fork, Pro-

vo, and Payson. All customers that shop in those cities also pay the tax to the respective city.

**Where does the sales tax go?**

PARC Tax revenue may be used for parks, trails, community arts, historic & cultural programs, the community center, pool and potential grant funding for non-profit cultural organizations with a heavy presence in Lindon.

**How much is \$.01 Sales Tax?**
